Dear Allen:

Myra and I have just returned from Europe and we both hope very much to have the pleasure of seeing you and Clover before we start south for Nassau the end of next month.

On Sunday evening, November 6th at 8 o'clock we are giving an informal buffet dinner for President Castillo Armas of Guatemala when he comes up to New York from Washington. We are wondering whether you and Clover are planning to be in the vicinity of New York at that time and if you would give us the pleasure of coming. We are having this at the apartment of our son, Norman, Jr., at [redacted] Come early and stay late! In any event I do hope when we get down to Washington later in November to have an opportunity for a talk with you as there are one or two subjects which I should like to take up with you. However, we hope that we may be able to catch you on November 6th. Aside from the pleasure it would give us, I know it
